

## Conditions of Participation

During the campaign period (18.12.2025 - 15.01.2026), clients of Scalable Capital Bank GmbH, Seitzstraße 8e, 80538 Munich (Scalable Capital) residing in Germany, Austria or Italy can receive a bonus for deposits and securities transfers, subject to the following conditions:

### 1. Campaign process

- During the campaign period, clients can make deposits as follows:
  - Clients residing in Germany: Cash deposits and securities transfers (instructions for securities transfer) to Scalable Broker, as well as cash deposits to Scalable Wealth.
  - Clients residing in Austria: Cash deposits to Scalable Broker, as well as cash deposits to Scalable Wealth.
  - Clients residing in Italy: Cash deposits to Scalable Broker.
- The basis for calculating the bonus entitlement is the sum of the deposited cash and the volume of securities transferred during the campaign period ("Transfer"). Cash deposits and securities transfers to Scalable Broker, as well as cash deposits to Scalable Wealth, are calculated separately, and the bonus tiers apply separately for Scalable Broker and Scalable Wealth. The volume of transferred securities is determined based on the daily closing prices (gettex) of the securities at the time of delivery. On weekends and public holidays, the daily closing prices (gettex) of the immediately preceding banking day apply. Cash deposited and/or securities transferred to Kid's accounts are exclusively for calculating a bonus entitlement for the kid.
- The time of delivery of the securities is decisive for securities transfers. Scalable Capital reserves the right not to take safe custody of certain securities. Transfers from third parties are not permitted.
- The bonus entitlement will be reduced accordingly if deposited cash amounts and/or transferred securities (or in the case of sales of transferred securities, the corresponding sales proceeds) are paid out or delivered from the securities account before the expiry of six months after the deposit (loyalty period). This also applies to a transfer between different accounts of the client at Scalable Capital.

- Participants in the campaign receive a bonus according to the bonus tier (see table).

## 3. Payment of the Bonus

The bonus will be paid out to the Scalable Broker account and/or Scalable Wealth account within one calendar month after the end of the loyalty period, provided the Conditions of Participation are met. If there are multiple Scalable Broker accounts or Scalable Wealth accounts, the bonus will be paid to the Scalable Broker account and/or Scalable Wealth account with the highest asset value at the time of payment.

The bonus entitlement expires if the Scalable Broker or Scalable Wealth is terminated before the bonus payment.
